In Loving Memory

In Remembrance of, Lelya Wolbach, who passed away, 11 years ago, March 10. When we lose someone we love, It seems that time stands still. A quiet sadness moves through us, A longing for one more day. Your life gave us such loving memories. We will see you again someday.

You are safely home in heaven, But still close in many ways. Always remembered with love, And missed by all your family. Arlene Merklin and families, Frances Ogden and families

Thank You

I would like to thank the many who sent cards for my 80th birthday. It was quite a surprise! Van Burrus

We are overwhelmed with the kindness shown to our family during Bill's weeks in Houston and in the days following his death. Everyone from classmates and teachers, business associates, life long friends and even those we didn't know so well have showered us with love and tenderness. The floral tributes were awesome, the food brought in, abundant; the meal prepared at the church, delicious; the funeral service, inspirational; and the memorials, generous. We offer our heartfelt gratitude for each and every one of these kindnesses. The Bill Neitzel family; Karen, Todd, Tracy and Colton Neitzel, Trish, Brad, Alex and Reagan Ramsey, Tadd Neitzel, Tim Neitzel, Tara Neitzel, Glen Neitzel, Barbara Atha and Karen Sutter.

Thank you all for your prayers, visits and concern given to us during our loss of Dave. All what you have done is greatly appreciated. The family of David Ramsey, Alice, Ed, Carol and family.

The family of Bill Neitzel would like to thank the classes of 1960, 1985, 1988, 1999, 2001 and 2003 for the floral tributes.

The Bill Neitzel family would like to thank the Wheeler Community for the lovely floral arrangement. Your thoughtfulness and sympathy will long be remembered and appre-

CONTROL NOXIOUS WEEDS The Kansas Noxious Weed Law

K.S.A. 2-1314 et seg requires all persons who own or supervise land in Kansas to control and eradicate all weeds declared noxious by legislative action. The weeds declared noxious are: field bindweed, musk thistle, sericea lespedeza, johnson grass, bur ragweed. Canada thistle. leafy spurge, hoary cress, quack grass, Russian knapweed, kudzu and pignut. Bull thistle is County Option Noxious Weed/Weeds declared noxious by the Board of County Commissioners of Cheyenne County. Notice is hereby given pursuant to the Kansas Noxious Weed Law to every person who owns or supervised land in Chevenne County that noxious weeds Case No. 2003-P-02 growing or found on such land shall be controlled and eradicated. Control is defined as preventing the production of viable seed and the veg-

> etative spread of the plant. Failure to observe this notice may result in the County:

 Serving a legal notice requiring control of the noxious weeds within a minimum of five days. Failure to time period allowed may result in the county treating the noxious weeds at the landowners expense and placing a lien on the property if the bill is not paid within 30 days or,

Filing criminal charges for non compliance. Conviction for non compliance may result in a fine of \$100 per day of non-compliance with a maximum fine of \$1500.

The public is also hereby notified that it is a violation of the Kansas Noxious Weed Law to barter, sell or give away infested nursery stock or livestock feed unless the feed is fed on the farm where grown or sold to a commercial processor that will destroy the viability of the noxious weed seed. Custom harvesting machines must be labeled with a label provided by the Kansas Dept. of Agriculture and must be free of all weed seed and litter when entering the State and when leaving a field infested with noxious weeds. Additional information may be obtained from the Cheyenne County Noxious Weed Department or by contacting
