The Lady Cougars continued their season after the holiday break on Jan. 6 at Grinnell.

"We played a good first half," Coach Dennis Hengen said. "In the second half we made two field goals, the shots just wouldn't drop."

The ladies led through the first quarter but fell behind after that.

Things got off to a slow start for the Lady Cougars scoring only two points in the first quarter. But things picked up for the rest of the game.

Fans had a lot to cheer about as the ladies scored a victory.

"We played hard the whole game

and finally won." Coach Hengen said. "Kori (Underwood) had the best game of her career. She broke the press and had several assists as well as rebounds. Aubrey (Kehlbeck) scored well in the second to push us by Weskan."

Monday night's win allowed the Lady Cougar team to return to Sharon Springs on Tuesday night. Another slow first quarter showed the ladies up against some rough competition. They did better throughout the rest of the game, but just couldn't pull it off.

"Golden Plains is flat out tough," Coach Hengen said. "They see the floor well and shoot the lights out. After our girls settled down, we played better in the second half. Our shooting percentage is going up as is our free throw percentage. This was a good learning game."
