### The Revelation By Beverly Lewis

The Abram's Daughters saga, begun in The Covenant, reaches its soaring conclusion in The Revelation. Three generations of Ebersols have enjoyed the love of a close-knit family, while also enduring heartache in Lancaster County, Pa. Here, at last, the choices they've made, and the secrets they've carefully guarded, are about to be revealed...for bet-Six endless days have come and

gone since that wonderful-good crimson-and-gold-speckled day when Jonas returned to Lancaster County to declare his fondest affection for me. Yet I've had no word since, not even following his important meeting with the bishop. And as each day passes, I am mindful not to given into fretting, losing myself in endless Honestly, though, there are

times when I am nearly giddy with anticipation, knowing Jonas is only 30 minutes away. What I thought had died in me has sprung to vibrant life. Once again I carry within my heart the hope of one day being reunited with my darling beau, if God should see fit. Secretly, though, I fear some-

thing will yet keep us apart. Ever since the advent of winter with its dearth of light, I have been aware of a sense of foreboding.
