- NOVUS repair is 80% less expensive than a new windshield
- NOVUS repair is often "free" since most insurance companies pay the entire cost of repair. Our repairs guaranteed to your satisfaction or NO CHARGE.
- Repairing chips and dings with NOVUS will keep your factory seal intact and reduce future problems.
- If replacement is necessary, NOVUS uses only original equipment glass or the equivalent for a leak free, airtight fit.
- All replacements done by **NGA Certified Technicians** and only OEM glass and material used. Don't put you or your family at risk by using anything less.
