Norton students play in international band

Perrell Stanley and Annette Becker, members of the Blue Jay Band, were part of the Lions Club International Band this July.

With the encouragement of their band instructor David Will, the musicians filled out applications and wrote letters to the International Band director to explain why they wanted to be part of the band.

Both were accepted and joined Kansas Lions band members in Goddard on July 2 for rehearsal and a concert. Their destination was Detroit, and along the way they met "Tony the Tiger" at the Kellogg's cereal factory.

"Meeting Tony was the highlight of my trip," Mr. Stanley said.

The group crossed the Canadian border to Windsor College where they stayed.

On the Fourth of July they crossed back to Detroit and took in a performance by the Detroit Sym-

phony and watched a fireworks display.

The next day Mr. Stanley said, was practice from "sun up to sun down". On July 6, the band marched 2.3 miles in the Lions International Parade. The rest of the day was spent shopping and visiting the school that trains seeing eye dogs for the blind. That night they all got to go dancing.

Miss Becker said, "We got to see so much stuff. It was awesome."

The band was comprised of bands from 32 states. There were 46 musicians in the Kansas band and more than 200 in the entire Lions band.

Miss Becker plays the tuba and Mr. Stanley plays the tenor saxophone.

Her parents are John and Ann Becker, Norton. Mr. Stanley's parents are Shelli Stanley, Norton and Perrell Stanley, Plainville.
