

Veterans Day Parade

Telegram photos by Vicki Henderson, Veronica Monier and Carolyn Plotts

Bundled against the chilly wind, members of the Norton American Legion and other area veterans (above) formed a marching unit to lead the parade Thursday. Hank and Sally Austerman (below) ride in their restored 1943 Willys Jeep.

Jim Plotts, Norcat, drove his antique United tractor in Thursday's parade.

Color bearers and rifle squad members (above) kept in step as they marched down State Street in Thursday's Veterans Day Parade. The Norton County Farm Bureau's Freddy the Combine (left) shook hands with the crowd. The Crimson Cuties Chapter of the Red Hat Society (below) did what they do best in the Veterans Day Parade. They laughed it up and had a ball.
