Jennings school to hold auction

From front room furniture to a propane weed burner, from pink depression glass plates to a milk cooler, there is a wide range of items listed for sale at the Prairie Heights Teachers Association consignment auction planned for Saturday.

The Jennings school teachers association is trying to raise funds for scholarships. Local people

with items to sell have consigned them to the auction. A percentage of each sale will go to benefit the scholarship fund. The remainder will go to the seller.

The auction, with professional auctioneers Bob Jones and Gary Gillum crying the sale, will get started at 10 a.m. in the high school gymnasium. However, the doors will open at 8 a.m. for anyone to

look over the merchandise before sale time.

Selling will be household items, collectibles, antiques, dishes, tools, shop equipment, agricultural and outdoor equipment and school items.

Items have continued to be brought in for sale that might not be listed on the sale bill. For a more complete listing and pictures of some items go to the auction's website at www.usd295.k12.us/auction/items.html.

Committee needs volunteers

The Norton Flower Committee is gearing up for spring planting season. Volunteers are needed to help place flowers in the downtown planters. No experience is necessary, the other volunteers will be glad to help you. Lots of perennials have been started over the years to help cut expenses, but

more could be used. The group welcomes your help or cash donations.

To volunteer call Charlotte Neff, 877-3224 or Jean Williams, 877-2894. Donations should be sent to: Flower Committee, 407 N. West Ave., Norton, Kan. 67654.
