MOTHER'S DAY SERVICE

Theodore Roosevelt wrote, "When all is said, it is the mother, and the mother only, who is a better citizen than the soldier who fights for his country. The successful mother, the mother who does her part in rearing and training aright boys and girls, who are to be the men and women of the next generation, is of greater use to the community, and occupies, if she only would realize it, a more honorable as well as a more important position than any man in it. The mother is the one supreme asset of the national life. She is more important, by far, than the successful statesman, or businessman, or artist, or scientist."

Out of the Ten Commandments comes a truth that is accompanied with a blessing for obedience to it, "Honor your father and your mother, so that you may live long in the land the Lord your God is giving you" (Exodus 20:12). This commandment possesses what is often called a national promise. It also has present-day individual applications in the same way that obedience to all the commandments is meant to give a high quality of life yet without creating a merit system to gain eternal life. To honor our mothers will bring blessings upon us as individuals, as families and as a nation.

Yes, we should honor our mothers every day of our lives; yet, it is very appropriate that on one beautiful Lord's Day each springtime, we should make time to give special honor and recognize God's particular blessing to the family, the mother. The Psalmist reminds us that "God sets the lonely in families..." (Psalm 68:6)

All are invited to a special "Mother's Day" service. Bring your mother or some other special woman in your life.
