Mobile Radio Technician I - Lenora

This individual will install and maintain electronic communication, two-way radio, and wireless networking equipment. Duties will involve tower work including construction, maintenance, and installation of antenna equipment. Additional duties will consist of repairing and installing customer-owned and company mobile radio equipment. The employee will operate electronic testing equipment and maintain inventory of equipment and products. This employee must be able to complete tower work at 480 ft., read electronic schematics, and repair equipment to component level.

Education Requirements: High school diploma, or the equivalent, plus three years of electronics experience or equivalent work experience. Experience with two-way radio equipment preferred. Computer networking knowledge beneficial.

Equal Opportunity Employer

We offer a competitive salary and comprehensive benefits including health and life insurance, 401(k) and retirement. If you are interested in this position, please submit a current resume and cover letter to Human Resources by May 6, 2005.
