### CARD OF THANKS

I WOULD like to thank everyone who sent me cards, or called for my birthday. It was great hearing from so many family and friends. Bob McClelland.

7/22

### THE FAMILY OF Larry "Pete" Strickland wishes to thank our friends and neighbors for their prayers, cards, food, plants, memorials and considerations in the time of our grief, also thanks to the hospital staff, ambulance crews, all the doctors, especially Dr. Hartley, Enfield Funeral Home, you did a wonderful and beautiful job. Thank you just doesn't seem to be enough, but thank you all. Family of Larry "Pete" Strickland

7/22

THANKS TO all our families and friends for their love and support at the time of the death of our little brother Larry "Pete" Strickland. Rogene Meeks, Janis Boucher, Marcelle Allen

**NETWORK SERVICE TECHNICIAN III**  
 The Kansas Department of Transportation has an opening for an Installation Service Technician III in Garden City or Norton, depending on the availability of the selected applicant. Minimum requirement is High School Diploma or equivalent and 1 year installing and servicing data, voice &/or video networks. Prefer minimum of five (5) years experience in repair and installation of electronic equipment, experience in climbing towers up to 480 feet, CDL License, experience and knowledge in computer networking, good leadership and decision making skills and excellent written and oral communication skills. This is a statewide position that requires technical and skilled work in installing, repairing, maintaining and inspecting communication and electrical equipment and devices on radio towers/poles and the associated appurtenances. The state communication system includes 100+ towers/poles, which range in height up to 480 feet. This position will be required to climb radio towers/poles to investigate the need for repairs, install new equipment or replace existing equipment. Fabricates and/or assembles parts and materials used in tower and antenna maintenance. Additionally, this position will perform preventive maintenance to preserve appearance and safety feature of tower complexes and the efficiency and reliability of antenna systems. This position is responsible for the inspection of cables and attachments to determine if the proper tension is maintained for the required stability and alignment of the tower. Starting salary is \$40,892 to \$45,115 annually depending on experience. Excellent benefits including health insurance, paid annual and sick leave, retirement plan, life insurance, and cafeteria benefit plan. REFER TO ADVERTISEMENT NO. 148310. The Personal Data Sheet and Employment Application must be received by August 2, 2005. The Personal Data Sheet and Employment Application may be obtained at the following website: www.accesskansas.org. Submit to the Department of Transportation Headquarters mailbox. Advertisement paid for by the Kansas Department of Transportation.
