Some new games will be added to this year's fair

The Norton County Fair will have a couple of new games at the Home Owned Carnival this year.

Mick Miller, president of the Home Owned Carnival board, said the carnival's major purchase this year was a trailer of antique drag line cranes.

There are twelve cranes in all and each lucky winner will be able to snag their prize with the crane.

Board Treasurer Deb Eveleigh said other new games are wiggle ball and washer throw.

Wiggle ball is being built by the board out of aluminum. To play, a person has to run a golf ball through a maze and then hit a hole at the bottom of the maze.

Mr. Miller said they saw the game at another fair and then got the plans for it so they could build it.

For the washer throw, players will toss

washers into holes drilled into a 2x2 board.

Winners of both games get prize tickets.

Mrs. Eveleigh said the board is also hoping to get tractors added to the kiddie cars.

There will be special armband nights again this year. Friday night will be Kiddie Night, where an armband can be purchased at the ticket booth for \$5. Friday's armband allows the wearer to ride on any of the five one-ticket rides.

Saturday night will be Adult Night, where an armband can be purchased for \$10. Saturday's armband lets the wearer go on all of the one and two-ticket rides.

Individual tickets can be purchased on any night of the carnival for 50 cents apiece.

The carnival will be in operation from 6:30 to 11:30 p.m. Tuesday through Saturday.

Saturday will be the final night of the carnival.

Sales help 4-H'ers earn money

Again this year, 4-H'ers have the option to sell one product and keep the money they get from the sale.

A member can sell in either the Livestock Sale or the Food Auction, but not both.

The food auction will be at 5:30 p.m. on Tuesday in the 4-H Building. The market animal sale will be held at 6 p.m. on Thursday in the livestock barn.
