**KANSAS PRIVATE INDUSTRY PARTNERSHIPS**

Owning a successful, labor-intensive Kansas business that requires dependable workers who take pride in manufacturing quality products can be an exasperating experience. Over the years it's become harder and harder to find workers who meet those criteria.

Some businesses have left Kansas for Mexico or China. Other companies find that transportation costs, delivery timelines, language barriers and quality concerns keep them from taking that drastic step.

While trying to find a reliable source of dedicated workers in Kansas, one company became aware that Kansas prison inmates who have good conduct records are eligible to work for private businesses both inside and outside Kansas' prisons. Last year, 20 separate private businesses employed 983 Kansas inmates, who worked 960,360 hours performing a wide range of jobs.

During talks with Kansas Correctional Industries (KCI), the idea of employing motivated inmates made more and more sense to this company. Private prison industry jobs enable inmates to repay crime victims, support their families and save for eventual release. The company decided to partner with KCI so that their business could compete effectively and expand. Their business now has a dependable workforce that can be adjusted according to production needs.

Before you send work out of Kansas to other states or overseas, find out more about KCI partnerships by contacting Tom Vohs at (913) 727-3249 or [TomV@KDOC.DC.STATE.KS.US](mailto:TomV@KDOC.DC.STATE.KS.US).

IMMUNIZE YOUR TRUE PRIZE

*A new life,  
a special gift*

Babies depend on you, as new parents, for so much in the early stages of life – food, shelter and lots of love. They also count on you to protect their future, so that they may grow up healthy.

That's why it's essential to immunize your child with the proper vaccinations by 24 months of age. You'll lower or eliminate the risk of many preventable diseases and illnesses. It's the best way to protect your future, and the future of the new life with which you've been given.

Contact your provider today and find out if they participate in the "Immunize and Win a Prize" vaccination program. Keeping your child's immunizations up to date is a gift you'll both be grateful for.

This message brought to you by the Kansas Department of Health and Environment and its partners. For more information, visit KDEH at <http://www.kdhe.state.ks.us/immunize>
