

Scrapbooking project keeps photos from getting lost

One of my projects this year was Self-De-

termined (Scrapbook). This was my second year in this project. I have created three scrapbooks. My first one I made is "All About

Me". Then, my sister and I made a scrapbook for my brother's birthday. We started with his baby pictures up to when he graduated from

college. This year, I made a scrapbook of my parent's vacation to Alaska. Last year at the fair, I took the scrapbook that is "All About Me" and received a purple ribbon. This year at the fair, I took the scrapbook of my parents and received a blue ribbon. I enjoy making scrapbooks because you can look back and remember the past. Also, we take lots of pictures and putting them in scrapbooks keeps them from getting torn or lost.

4-H'er was busy with seven projects

My name is Dana Hillebrand and this is my ninth year in 4-H. I took seven different projects to the fair: ceramics, clothing, foods, horse, leadership, shooting sports, and swine. I have learned a lot of different things over the years. I learned that no matter what projects you're doing for the year, it takes hard work and dedication. One of my favorite projects is horse. My horse is seven years old and he did really well at fair. I also took ceramics and received a purple and a blue ribbon. In foods, I received four blue ribbons. In clothing I received two purples and two blues. In my swine project I received three blues and one red. Overall the year went well and the fair went by fast, but I had a great time.
