

# Hurdle power...

Norton sophomore Jared Cox powered over the final hurdle to win the 110 meter hurdles race in 16.15 in the Phillipsburg Invitational Track Meet last Friday at Phillipsburg High School. Jared also won the 300 meter hurdles race in 43.02. The Norton Invitational Track Meet, which had been re-scheduled for Tuesday was canceled due to inclement weather. Norton will compete in the Goldsmith Relays at WaKeeney today beginning at 3:30 p.m.

# New faces in Norton's victory lane

By MIKE HUGHES

New faces appeared in victory lane at Elmwood Park Speedway in Norton Saturday evening, April 22. All four divisions saw first time winners for the season at the half-mile oval.

Brady Koch led the opening lap of the IMCA Stock Car feature before heat one winner Cory Struckhoff of Kensington made the pass. Struckhoff slowly pulled away from the field that saw several cars battling for position throughout the pack.

However, heat two winner Josh Hudson made his way to the runner-up spot in the second half of the race and chased down his teammate, but Struckhoff was up to the challenge and won his first feature of the year. Hudson finished second, followed by Jason Davis, Jason Rogers and Koch.

Gorham's Jason Schoenberger was in the right place at the right time to win the IMCA Modified feature. Oberlin's David Murray Jr. took the lead from Nate Schaben on lap 4 of the 20-lap race and pulled away from the rest of the field.

But just as Murray took the crossed flags at the halfway mark of the race, something broke on his car and he came to a stop, forcing a caution. Second running Schoenberger inherited the lead and led the last half of the race for the victory. Mitch Kline finished second, followed by Marty Clark, Tim Watts and Mike Petersilie. Brian Calhoon and Murray won the two heat races.

After winning the first IMCA Hobby Stock heat race, Logan's Dustin McClurg led wire-to-wire in the 15-lap feature. Cautions on laps 14 and 15 bunched the field late in the race but McClurg was able to fend off his challengers to score the win. Heat two winner Brady Schoen, Kelly Karnopp, Adam Balthazor and Wade Wagenblast rounded out the top five.

Norton duo John Annon and Josh Wonderly led all 10 laps in the Cruiser feature to find their way to victory lane. Nick and Tim Horn finished second, followed by Mike Hockemeier and Jim Ellis. Joe and Jim Carter won the heat race before breaking an axle in the fea-

ture. Racing action returns to Elmwood Park Speedway Saturday night, May 6. Race time is 7 p.m.

# Former Norton player leading ground gainer

Terry Petrie, 5-feet-9-inch, 185 pound running back who will be a junior next season, was the leading ground gainer for the Kansas State University Purple Team in the annual spring football game held Saturday in front of a record crowd of 31,875 at Bill Snyder Family Stadium in Manhattan.

Petrie gained 38 yards on 6 carries from his tailback position in the contest which pitted even teams chosen by assistant coaches. The game was won 21-14 by the White Team.

It was the first game for the Wildcats under new head coach Ron Prince.

In addition to running the ball and coming within a few inches of scoring a touchdown on an end run, Petrie also played on the kick-off and punt return teams.

A former star player for Norton Community High School, Petrie played for national community college champion Butler County Community College before transferring to K-State.
