ARE YOU CONSIDERING BANKRUPTCY?

News accounts concerning recent changes to bankruptcy laws have often been misleading. Many people think they can no longer take bankruptcy. That is simply wrong. Experts in the bankruptcy field believe that up to 85% of those eligible for Chapter 7 bankruptcy prior to the new laws are still eligible, even with the changes. If you are considering bankruptcy, call my office for an

appointment to determine if you qualify. This conference is free! Gene F. Anderson • Attorney at Law
