AUCTIONEER'S NOTE: This sale has turned out to be one with lots of items. If I were a betting person, I would say that my crew and I would sell the highest number of items that we have ever sold. I know my crew will wonder how we can do it all in one day! I plan to run two rings part of the day and move right along. There are a great number of antiques that you will be pleased with. The shop equipment and used tools are clean with good use in them. The amount of new tools is unbelievable! I can't leave before bragging on the 1985 pickup. It is in my opinion a sharp pickup! The little Opel 2 door car is a cutie for someone with the talent to "fix her up!" See you at a great sale!!!
