## Welcome a New Doctor!

Dr. Todd Zerger will be joining Dr. Aldridge in providing optometric care to Hill City, Norton and the surrounding communities. He graduated from Bethel College in 2000 with a Bachelor of Arts degree in Chemistry. After teaching chemistry and physics at Peabody High School for two years, Dr. Zerger attended the Southern College of Optometry. His training at the Southern College of Optometry also included an extern rotation at the VA hospital as well as a rotation in a private practice. These rotations emphasized ocular disease, contact lens, pediatrics, cataract and LASIK co-management as well as general medical optometry. While at SCO he spent numerous hours tutoring future colleagues in areas such as pharmacology, neuroanatomy, and vision therapy. In May of 2006 Dr. Zerger graduated with honors from SCO. He currently is a member of Beta Sigma Kappa, the Optometric Honor Society as well as the American Optometric Association and the Kansas Optometric Association. In 2006 he also was named to the Who's Who Among College Students. Dr. Zerger enjoys watching and playing sports including basketball, football, ping-pong and snow skiing. His wife, Krisha, is a registered nurse with four years of experience in pediatric cancer while working at St. Jude Children's Research Hospital. Todd and Krisha currently have one daughter Ava.
