

Fireworks spectacular to light sky Tuesday night

(Continued from Page 1)

Karla Reed, Tim Kelly, Travis Chisham, Mike Barrett, and Harold Shinn.

Clavin Wright will provide a boat patrol.

In keeping with the need for safety, the dam will be blocked to any traffic, vehicle and pedestrian. Boaters will need to remain at least 600 feet from the shooting area. The boat patrol will help enforce this requirement.

The Norton Area Chamber of Commerce gives special thanks to the Norton County Sheriff's Department, the Norton County Ambulance Service, the Fire Departments and the Prairie Dog State Park staff who have coordinated efforts to ensure the safety of on-lookers as well as those participating in this event.

Entrance to the park will be \$7 per carload. If you already have a Kansas Park sticker on your vehicle, you will be admitted free of charge. If you are a Kansas resident and over 65 years of age and do not have a Kansas Park sticker, the cost for your vehicle for the day is just \$4.25.

Because of the generosity of many businesses, individuals and organizations, there is no charge for the celebration activities or fire-

works display.

Annual permits may be purchased at the Prairie Dog State Park Office from 8 a.m. to 4:30 p.m. Sunday through Thursday or from 8 a.m. to 8 p.m. on Friday and Saturday. Annual permits are \$46.65 and \$24.40 for those over 65. Buying an annual permit earlier in the week will reduce traffic problems the day of the celebration.

If there is inclement weather or very strong winds, the fireworks will be postponed until Wednesday, July 5. Postponement will be announced on KQNK Radio FM 106.7.

Viewing of the fireworks will be best from Prairie Dog State Park. Bring lawn chairs, a picnic and come early enough to get a good spot for the show.

People will be able to ooh and ahh Tuesday when the sky is lit up by fireworks, put together by the Norton Chamber of Commerce.
