A VIGILANT NATION
The Foundation of a Nation
That Truly Says
"In God We Trust"

This Message Spoken
by
Pastor /Evangelist Terry Laughlin
at
CrossRoads Church

Sunday, July 2, 2006

Vigilance has never come easy, and America has always had her share of enemies. Many today still remember the surprise attack on Pearl Harbor and every day in some way we are reminded of 9-11-2001, a day that reminded us that not even the powerful U.S.A. is beyond the violent attack of a hateful enemy.

America needs to be vigilant and she must have her full trust in God. There are three Biblical ways for America to protect her national borders. Our war on terrorism has upped the ante and the Lord is calling the church to the high calling of laying a foundation that points Americans to being a nation that truly says and lives, "In God We Trust."

Come and Hear these Truths:
Her Foundation Must:

1. Be Founded in a Reverent Fear of the Lord
2. Under-girded Through Praying Christians
3. Requires a Spiritual Awakening
