Thank you
Words can not express our sincere gratitude for the many acts of kindness and support shown to me and my family over the past year. It was your encouragement, support, and love that carried us through this difficult journey. Thank you for the many kind gestures; from wearing pink support bands to surprise visits from young smiling faces. The endless number of cards and meals delivered to our home was more than appreciated. We are truly blessed with a community full of wonderful caring people.
Thanks from the bottom of our hearts. God Bless, Lisa Donovan and family
