

On Wednesday afternoon at last year's fair, children could pet a variety of animals at the petting zoo held in the livestock barn. Here a miniature donkey belonging to Terry Hager of Norton enjoys being petted. — Telegram photo by Susie Marble

Petting zoo, exotic pets offer fun on Wednesday

The display of exotic pets will be held in conjunction with the 4-H and FFA Petting Zoo this year, which will be held on Wednesday.

The zoo will be from 3:30 to 4:30 p.m. at the livestock barn in Elmwood Park.

An exotic pet is one that would not be shown in another livestock, poultry or pet class at the fair. The Norton Fair Association would welcome anyone to join the petting zoo to exhibit their exotic pet.

Dr. Steve Graf will be on hand at the display to visit with the public about the exotic animals

and the petting zoo participants.

This has been a popular event combined with the small petting zoo, especially for the younger children.

Other featured events for Wednesday are the pork roast, porkburger and watermelon feed at 5:30 p.m., Ranch Rodeo at 7 p.m., and of course the carnival from 6:30 to 11:30 p.m. as well as the exhibits that make up the Norton fair.

A full description of fair departments and schedules is available at the Extension office in the courthouse.
