# State Fair entry forms are available during county fair

Entry forms for the Kansas State Fair will be available during the county fair week. Requests for beds in the encampment building must also be made on the entry form, along with requests for gate tickets. Entries are due in the Extension office by Monday, Aug. 7 with the exception of horse, which is due Aug. 1. Other livestock entries were due by July 15.

Check carefully to see if your purple ribbon exhibit is eligible before completing an entry form. There are a number of classes for the Norton County Fair that are not listed for the state fair.
