### WHAT IF...?

**What if you died tonight? What if you faced God the Father this very night and He asks you why He should allow you into heaven?**

**Cover the rest of this article, consider and answer this question before you read on further.**

\*\*\*\*\*

There are many of you who have just answered this question by a word or thought that said, "Well, I was baptized as a child [or as an adult]," or "I was confirmed and became a member of my church at some time in the past." "I 'believe' in God [or Jesus]" would be another common answer. "I'm a good person," or "I'm a better person than most of those hypocrites that go to church," is also a very frequent answer. Or maybe the opposite, "I'm in church nearly every Sunday so I'm better than those who never set foot in one." Maybe your answer is, "I read my Bible and pray a lot." **NONE of these answers is adequate.**

**You MUST know the truth and act on it now. This is not something to put off. These are uncertain times.**

We are under constant threat from both inside and outside our borders. Many people are talking of being in or very near to World War III. The Middle East is a powder keg. There are "wars and rumors of wars" of which the Scriptures speak.

There are seemingly constant and ever increasing natural disasters... forest and prairie fires, floods, hurricanes, tornadoes, tsunamis and earthquakes.

New dangerous diseases pop up in the news on a regular basis. Former common treatments are failing. Cancer seems to strike nearly everyone we know and stares us in the face too frequently. Fear consumes many.

Without the salvation found only in Jesus Christ and the certainty of eternal life in heaven with him there would be no reason for living. Jesus Christ, the Son of God, while on this earth stated, "I am the Way, and the Truth and the Life. No one comes to the Father except through Me." (John 14: 6) Jesus, being God in the flesh, could not lie. It would be against His very nature as God. So, these words are completely trustworthy and true.

No other religion on the face of this earth, no other belief system will save you. None other will or can offer you a place of eternal peace and life than Jesus Christ offers you through repentance and forgiveness of your sin. You then have a new relationship with the Father. You have become His adopted child with all the extraordinary benefits of life in the Name of His Son Jesus Christ.

Jesus also said these words, "I tell you the truth, no one can see the kingdom of God unless he is born again... You must be born again." (John 3: 3b, 7b) When you agree with the Word of God that you are indeed a sinner, separated from a holy God, and then truly repent, making a 180 degree turn away from your old self and allowing God to recreate you in His image, you are born again.

In final analysis, God won't even ask you the above question. There will be no need. He will know and YOU will know whether you are proclaimed righteous, whether you have TRULY believed in His Son and lived a life of repentance and faithfulness. Would you pass the test tonight? Would you be received or will you be turned away?
