**Norton County Weather -- September 19<sup>th</sup> - 23<sup>rd</sup>**

Tue	Wed	Thu	Fri	Sat
75/45	80/50	75/45	65/35	68/38

Normal High: 78  
 Normal Low: 48  
 Sunrise: 7:26 to 7:29 A.M.  
 Sunset: 7:37 to 7:43 P.M.

The last two mornings have been chilly with lows dropping into the 30's. We will have to keep an eye on the next two storms systems late this week and the middle of next week for possible freezing temperatures. Chances for rain look promising late Thursday and Friday, so if you can get the wheat in the ground beforehand that will be good timing. The next rain chance will be next Wednesday and Thursday. October is just around the corner and we will be at or slightly above for annual precipitation amounts.
