OUR DADDY
 By: Lisa Marie Henderson

Our daddy is the greatest daddy in the whole world, Because he has taught us all that we know; Our daddy was there when we took our very first steps, Watching us as we would quickly grow.

Our daddy was there when we spoke our very first words, And listened ever so closely to everything that we said; Our daddy used to tuck us in bed every night, After our nightly storybook was read.

Our daddy was there to give us piggy-back rides, And always took us to the park to play; Our daddy was there when things got bad, Always knowing the right words to say.

Our daddy was there when we didn't understand things, And taught us what was right and what was wrong; Our daddy was there when we were hurt and crying, And made the pain not last too long.

Our daddy was there when we entered pre-school, And helped us learn to read and write; Our daddy colored in our coloring books with us, Even when that meant staying up late at night.

Our daddy was there when we entered grade school, And taught us how to subtract and how to add; Our daddy was there when our favorite pet died, And helped us to get over being so sad.

Our daddy was there when we entered junior high, And taught us that things won't always go our way; Our daddy was there when times were getting rough, And told us that everything would soon be okay.

Our daddy was there when we entered high school, And taught us that some people won't treat you real great; Our daddy was there through all of our hard times, But was so very happy when he saw us graduate.

Our daddy has been here for us when we've needed him the most, Forever in our hearts the memories will stay; We have a very special kind of bond, One that becomes stronger and stronger each and every day.

Our daddy, you see, is the best daddy in the whole world, And he's brought much happiness into our heart; Daddy, we will love you until the end of time, And we know that we'll never grow apart.

Happy Birthday Daddy! We both love you very much and we hope that all of your birthday wishes come true!
 Your daughters, Angela Marie and Lisa Marie
