Hansen Foundation for the assistance they provided in Wade Carter's attendance of the Heartland Economic Development training course and for their continued attention to economic development in Northwest Kansas

### Norton County Weather - May 15 - May 19

Tue	Wed	Thu	Fri	Sat
 65/45	 70/47	 75/49	 80/51	 83/53
Normal High: 75 Normal Low: 48		Sunrise: 6:21 to 6:24A.M. Sunset: 8:47 to 8:51P.M.		

A frontal system rolled through the area last night with some showers and strong storms, but really severe weather was minimal. It will be cool behind the front today. However, rest of the week looks great with high temperatures in the 70's and no storms in the forecast. Over the weekend temperatures may get a little warm climbing into the 80's. The dry weather should allow for field work and fall crop planting to be completed. Next chances for rain hold off until early next week.
