MEMORIAL DAY 2007

Monday, May 28, 2007

Perhaps the highest calling one can answer to is to risk one's own life for one's country. In times of national crises, thousands of men and women have heeded the call and given of themselves for the good of our nation. This Memorial Day, take a moment to reflect on the freedoms we enjoy as Americans and give thanks to those who made the ultimate sacrifice.
