Council looks at cost of helping airport

(Continued from Page 1) on. The county, he said, agreed to the extra money.

• Approved Attachment No. 1 to the Miller and Associates agreement for the water plant project for Phase II, which includes plant optimization, the additional scope of work and the fee schedule.

• Received the 2008 Economic Development budget. Director Wade Carter said they are asking for an additional \$10,000 in 2008 and have trimmed a lot out of their budget. He said they've only used 36 percent of their budget this year and are helping out with some quality projects.

• Discussed the Moffet property on State Street. Mr. Miller, who is also on the economic development board, said if they take the property, there are people willing to pay for it to be renovated. But, he said, they need to know if it was structurally sound or not.

The city is having an engineer check the soundness of the old gas station. Mr. Miller asked if, when the engineer was here, he could put together a bid for economic development on what the cost would be to have a structural study done on the house behind the gas station.

Mr. Lawson said he would pass along the request and would send economic development a copy of the report on the gas station.

• Adopted Resolution 7-2007, amending the city's employee handbook. Bereavement leave will now include step-parents as

immediate family members.

• Asked City Attorney Karen Griffiths to make an agreement between Steve Horney and the city, concerning his property at 316 N. State Street. Mr. Horney would like the city to tear it down, clean it up and send him a bill, but he wants to get the furnace and air conditioner out first.

• Approved using BRB Contractors to demolish the existing clarifier at the sewer plant for the lump sum of \$28,280 with the money to pay for it coming from the project's contingency fund. Work will include the removal and disposal of equipment, removal of the concrete walls to three feet below the revised grade, breaking up the concrete base slab, filling the structure with concrete rubble and dirt, stock piling any extra dirt on the site, placing the concrete rubble as rip rap along the creek banks, and re-grading the area to drain properly.

• Heard that the city will begin sealing streets on Aug. 7.

• Heard a formal request from Councilwoman Elaine Mann that the mayor and council receive training in what they can and can't do. Mr. Lawson will contact Garrett Beydler to see if he would be willing to hold a training session.

• Asked the Public Safety Committee to do a safety study to see which streets are too narrow and how safe they are.

Come one, come all... ice cold beverages...

Two young entrepreneurs "set up shop" on opposite LaNae Dial, foreground, hawked her iced tea, while Tracy corners Monday to capture the thirsty traveler trade. Riggins, held up his sign that said, "Kool-Aid - 25 cents.

• Worked on the 2008 Norton County budget with John Mapes, a certified public accountant with Mapes and Miller. All department budgets have been presented for the commission to review. The budgets were adjusted and revised as the commission said they didn't want to see an increase in this year's county mill levy, or at best, a very small increase. Mr. Mapes said he would revise the budget figures and get a new copy to the clerk's office.

hours on it. Bid specifications will be sent to several dealers requesting a bid be submitted.

• Postponed the Monday, July 30 meeting to Tuesday, July 31, so that payroll and vouchers can be approved.

buying millings. The commission Norton; Husky Hogs, Long Istold Dr. Graf that the county isn't selling millings at this time.
