Husky ladies capture third

league tournament, the Northern Valley volleyball ladies traveled to Kensington for pool play and took on co-host Kensington in the first round.

"The ladies came to play last Saturday morning and play they did as all facets of our game were on. Our serving was on target, keeping the Goldbugs moving or 'off balance' so they could not mount an attack. Our passing was crisp and to the target for our setters, who also were on target, delivered the ball to the 'spot' where our hitters then, also being on, delivered the blows that defeated Kensington 25-17, 25-19," said coach Chuck Zimmerman.

"Our second opponent in pool play was Western Plains, a team we had defeated earlier in the season and things started out very well as we won the first game 25-17," Zimmerman said.

"We were ahead in the second game also and then the tide turned in the Bobcats' favor as they rattled off9 straight points through a series of well played rallies that resulted in power spikes but also a few 'garbage' points where they, through their hustle, got a 'lucky' contact on the ball that sent it over and landed on our side of the court! They went on to win the second game 17-25. which set up the third and deciding game,": Zimmerman said.

In this game, the Huskies did not respond as hoped. "First," said the coach, "we gave them 4 of their first 6 points because of our lack of being able to serve the ball over the net when we needed to. This just allowed the Bobcats to gain not only the scoring edge but the momentum also as they started to find their power supply which we did not answer and as a result we were defeated 12-25," the coach said.

The loss placed Northern Valley at second in their pool and they headed to Agra to play in the championship bracket.

"We played Logan in our first match and in the first game we evidently had not gotten over or themselves," the coach said

Seeded Number two in the forgot about our last match as you have to do in this sport. Because we carried over our play we were defeated by the Trojans, 10-25," said Zimmerman..

"In the second game we responded better and put up a good fight and while being behind 17-20, we mounted a comeback and played ball compared to what was played in our first match. We came all the way back to tie the game at 24 all but the Trojans finished with two straight points to win the game and match 24-26," he said.

This loss set us up with a rematch against Western Plains. This match was for third place and some pride.

"In the first game we came out strong and got on a roll that led to a 25-15 victory. We kept them away from their power game and sent our power to them which they could not handle," the coach said.

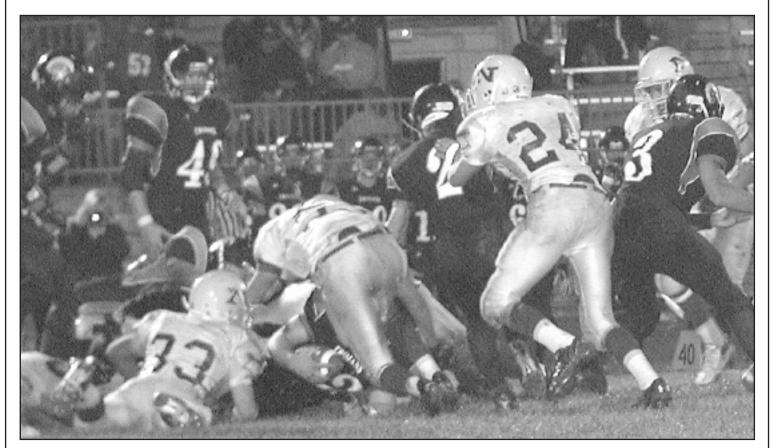

"In the second game, we saw two teams going at each other stringing together some runs with us going first as we had 4 straight points which gave us a 16-12 lead, only to see the Bobcats come back with 10 of their own to put the score at 20-24.

"We did battle and scrap our way back, but our margin of error was none and we lost 23-25. Again, setting up a third game and this time the winner goes home with a piece of 'wood,'" Zimmerman said..

"In the third game it was again a close fought contest as neither team jumped out early. Late in the game each team had runs of points with ours lasting longer than the Bobcats, and this was the telling factor as we won the match with the third game score of 25-21 and brought home 3rd place," he said.

"We would like to thank all the fans who followed us on this day. We greatly appreciate your support and hope you enjoyed watching us at our best. When you see us at our best you are seeing a team that could go far in the post season - if they believe in their talent and
