- Waived the formal second reading for Ordinance 1567, vacating a section of Manor Drive in the Westridge Acres addition

of the city.

- Heard that Councilman Ron Briery agreed to stay on the Norton Area Chamber of Commerce board as the city council's representative as long as he had a vote. Councilwoman Kim Snyder said if he did not want to continue to be on that board, she would be willing to do it.
- Learned that the Public Safety Committee received a letter from concerned citizens regarding the upcoming Veterans' Day Parade. There is concern, he said, of children, who run out into the street between parked cars to pick up candy, being hit by a car or float because they weren't seen by drivers. It was discussed in the committee to make the two blocks of downtown "no parking" during parades. The committee is looking to see what other cities do.

- Waived the formal first reading of Ordinance 1570, authorizing the operation of work-site utility vehicles and all-terrain vehicles on city streets.
- Suspended the rules and waived the three reading requirement for Ordinance 1568, relating to dangerous and unfit structures. This will make the city's policy comparable to state requirements. The council then adopted the ordinance.
- Suspended the rules and waived the three reading requirement for Ordinance 1569, relating to the environmental code. This ordinance also brings the city's policy up to state standards. The council adopted the ordinance.
- Discussed the pool and decided to wait and see what the committee working on the possibility of a new pool has to say before doing anything.
