City of Norton Snow Ordinances

The City of Norton wants to remind the public of our three snow ordinances. One requires the removal of snow and ice off public sidewalks within 24 hours after the fall of the snow or sleet. The second ordinance relates to removing parked vehicles from emergency snow routes. When the City of Norton publicly announces through the news media that an emergency snow condition exists, it is a violation to have any vehicle or trailer parked on a designated emergency snow route. The third ordinance makes it a violation for any person to pile or dump snow on any cleared street from a private driveway or sidewalk so as to constitute an impediment or hazard to normal traffic on the street. The city of Norton thanks everyone for their efforts in complying with these ordinances.
