# Blue Jay wrestlers second at Clay Center

By DICK BOYD

nortontelegram@nwkansas.com Coach Bill Johnson's Norton Community High School wrestlers placed second in the annual Clay Center Invitational Round Robin Tournament for the second straight year on Saturday.

tournament championship with 179 points, followed by Norton, 170.5; Beloit, 125.5; Andale, 99; Junction City, 69.5; Topeka Seaman, 33.5; Wamego, 31.5.

Salina Central, Salina South and Ellsworth were scheduled to compete but did not because of inclement weather.

Norton had three champions. Zach Bainter, 135; Todd Bolt, 140 and Alex Thomas, 285.

Runner-up finishers were Billy Broeckelman, 112; Brock Lauer, 189 and Robert Derauf, 215.

Placing third for the Blue Jays in their weight classes were: Troy Bainter, 103 and Zane Perez,

Earning fourth place finishes were: Landon Keiswetter, 119; Connor Pfannenstiel, 125; Aaron Husted, 145; Matt Stanley, 160 and Jordan Bebb, 171.

Jeff Soderlund wrestled for Norton at 152 pounds and compiled a 1-1 record before being disqualified.

Coach Johnson named Todd Bolt "Wrestler of the Week" for his 3-0 performance, which included beating No.1 state ranked Cas Spangler, Beloit, 14-13 for the championship. Spangler placed third in the state tournament last

Norton had a 38-20 won-loss record and 23-10 pin ratio.

"The Clay Center tournament is now a round robin tournament," said coach Johnson.

"Most of the weight classes had six wrestlers or less and those weights had only one pool so our wrestlers could get up to five matches. Four of the weight classes had seven wrestlers or more and these were split into two pools, with the champions of the pools going for first place and the runner-up in each pool wrestling for third place.

"This type of tournament is very hard for the fans to follow because advantages are for the wrestlers. matches in a tournament. that only has five wrestlers, one Thomas were our only three cham- 14-13 to win first place. side of the bracket will only have pions, Billy Broeckelman, Brock two wrestlers and the other will Lauer and Robert Derauf wrestled

have three. So, the two wrestlers well and placed second. I guess in the five man bracket will only get two matches during the entire day. In the round robin bracket, all five wrestlers will get to wrestle all four opponents during the day. So, each wrestler gets four matches.

"I feel this is a benefit for the Host team Clay Center won the wrestlers in the early season. It allows them to get more time on the mat and get more experience. Our team wrestled a total of 58 matches at Clay Center compared to 36 at Hoxie. I also like this because there is no place to hide on the bracket. You are going to wrestle everyone in your pool. Wrestlers who are not ready to compete against all comers tend to have a mental let-down in these type of tournaments and do not perform as well.

> "I think that we took our 'lumps' at times on Saturday but I also think we came back from those losses and wrestled well in the next match. We definitely got humbled at times and that will help us in the long run.

"I feel that this tournament is exactly what we needed. The competition was very tough and gave us some adversity but we were still able to finish a respectable second place. We never seem to win the Clay Center tournament."

"I really think this was Todd Bolt's coming out party," said Johnson. "I have felt for years that Todd possesses the ability to be a very good wrestler but has been waiting his turn in the 'stable'. Todd was one of our few wrestlers who received only three matches in the tournament but went on to an undefeated record and exciting win over Spangler. These two wrestlers will have several more battles throughout the season so keep posted.

'Zach Bainter is an animal this season. In the finals, he totally destroyed a wrestler who beat him at Clay Center last season. Zach is on a mission. He pinned Class 4A state medalist Bowser of Clay Center in only 65 seconds of the first period to win the title going away.

"Alex Thomas also dominated there is no championship or con- all opponents with five pins. It is solation side of the bracket. The nice for a heavyweight to get five

the one of these who has shown a great deal of improvement from last year is Derauf. Robert is only a sophomore and is wrestling at 215 pounds. Last year, he lacked the physical strength to compete with the upper classmen. This season, he is stepping up and competing well. He has developed some good technique that he is having success with."

"Brett Terrell, Spencer Shirk, Kaid McKenna, Casey Robison and Tyler Cook all made it to the semi-final round with Spencer advancing to the finals.'

Spencer Shirk competed at 135 pounds and lost a 6-2 decision to Brett Rupprecht, Red Cloud, in the championship finals.
