Wrestling coach speaks to local club

Head wrestling coach at Norton Community High School,

Bill Johnson, spoke to the Norton Lions Club on Dec. 4. Mr. Johnson, who is in his 17th year at Norton, said the team is "in the hunt" for a state championship. He said there are 27 out for wrestling this year. He said it is a young team, but he is pleased to have four returning state medalists: Zane Perez, at 119 pound; Zach Bainter, at 125 pounds; Jeff Soderlund at 152 pounds; and Alex Thomas wrestling the heavyweight division.

He told the Lions members that Norton ran away with the recent

Hoxie Tournament. He said, "The Hoxie Invitational is by far the weakest tournament we're in."

He said the Clay Center tournament will be a reversal, "It will be a tough tournament."

He said he keeps reminding the wrestlers how much hard work and dedication it takes to get to the top. He also reminded the club members that rankings don't mean anything.

In other business the club:

- Was reminded about the Christmas Basket project scheduled for Saturday, Dec. 15. All members are encouraged to help pack and distribute food baskets.

Foundation helps make wishes come true

The Make-A-Wish Foundation® of Kansas is dedicated to granting the single favorite wish of Kansas children between the ages of 2 1/2 and 18 who have life-threatening illnesses or medical conditions. It strives to provide the wish child and family with some special memories of joy and laughter in the midst of a world filled with hospitals, doctors and treatment programs. A "wish" offers a welcome respite, a time of normalcy and just plain fun!

In 2003, Christa Rhoades, then a 16-year old student at Norton Community High School, had been diagnosed with a rare form of cancer. Crista was granted a wish® and chose to go to Hawaii. She loves to travel and wanted to go to a place she had never been. Her Hawaiian holiday plans included attending a luau, fun in the sun and pampering at a spa.

Crista, her sister, Abigail and her mom and step-father, Melba and Ed Witt, flew to Hawaii where they visited Pearl Harbor, took a fun cruise, surfed and went snorkeling. The family dined at an authen-

tic Polynesian Luau and of course, brought home lots of souvenirs and photos of their time in Hawaii

Crista's mother, Melba said, "It was nice to go on a vacation where we could just relax and not worry about medical problems. But, Crista chose where she wanted to go and what she wanted to do — we just went along for the ride."

Today, Crista is a healthy 21-year old junior at Fort Hays State University where she is studying nursing.

Her mother said a pediatric oncology nurse in Wichita had a profound impact on Crista's life and affected her decision to go into nursing.

There are over 31 pending wishes in Kansas. You can help share the power of a wish® through monetary contributions, donating frequent flyer miles, adopting a wish or remembering the Make-A-Wish Foundation in your planned giving. To find out how you can help the Make-A-Wish Foundation® of Kansas, call 800-566-9474.

Share the power of a wish® and touch the lives of local children.
