HANSEN MUSEUM

By SHIRLEY HENRICKSON "Bone Up On Bones", an interactive science exhibit, toured by the Oregon Museum of Science and Industry was taken down Dec. 31. We were very pleased to have 1,326 visitors from all over the United States view this exhibit.

The Dane G. Hansen Memorial Museum is proud to present the "Kansas Art Quilters: Altered Views". This exhibit, consisting of 31 textile art works, will be in the gallery until Feb. 24. Kansas Art Quilters is an organization dedicated to promoting textile art in quilt form. The members of Kansas Art Quilters explore new vantage points and attitudes using fabric, thread, beads, dye and paint in their works.

In conjunction with the Kansas Art Quilters, the local Heritage Quilt Club will have a display of their quilts. Heritage Quilt Club is an area club dedicated to educating and promoting awareness of quilting. Members attend monthly meetings with various programs and lessons presented. They participate in many local volunteer projects, sometimes with drawings or auctions. They have exhibited their quilts in the area several times. These members are a very talented group and the Museum feels their quilts will add dimension to the exhibit from Kansas Art Quilters.

Our January Artist of the Month will be Paula Rumbach from Oakley. Miss Rumbach will have quilts, wall hangings and table toppers on display, which works in nicely with our gallery exhibit.
