Our family would like to extend our sincere thankfulness to those in the community that have reached out to us during my recent illnesses and surgery. We simply could not have made it through the difficulties of bronchitis, pleuresy, pneumonia, and gallbladder surgery without the support that has been shown to us. Very special thanks to the Administration, Faculty, and Staff of USD 211, Maddy Ranch, members of St Francis of Assisi Parish, Ralph Streit, and the medical professionals at the Doctor's Clinic, Norton County Hospital, Oberlin Medical Arts Center, and the ER Staff at Hays Medical Center. Thank you all for assisting us in whatever way you chose to in our time of need. It is deeply appreciated, and we are very grateful. It is nice to be back "home", and to be a part of a community that truly cares about others. We consider ourselves very blessed.  
Sincerely, Pamela (Streit) Bigge and children
