## SPECIAL EDUCATION INFORMATION FOR THE NORTH CENTRAL KANSAS SPECIAL EDUCATION COOPERATIVE INTERLOCAL #636 (NCKSEC)

Published in The Norton Telegram on Friday, July 11, 2008

### SPECIAL EDUCATION INFORMATION FOR THE NORTH CENTRAL KANSAS SPECIAL EDUCATION COOPERATIVE INTERLOCAL #636 (NCKSEC)

Individuals with Disabilities Education Improvement Act of 2004 was reauthorized by Congress and signed by President Bush on December 3, 2004. The legislation basically amended the 1997 IDEA that was the cornerstone of federally mandated services for disabled students. Special education categorical areas include autism, deaf-blindness, deafness, hearing impairment, mental retardation, multiple disabilities, orthopedic impairment, other health impairment, emotional disturbance, specific learning disability, speech or language impairment, traumatic brain injury, visual impairment and blindness, early childhood disabilities and gifted.

The Individuals with Disabilities Education Improvement Act provides for a free, appropriate public education for all disabled students. The foundation of IDEA is its requirement that schools develop an Individualized Education Program (IEP) for each disabled student. The IEP requirement combines the evaluation of disabled students with the achievement of specific goals. These goals are typically set by the student's parents, school administrators and regular and special education teachers working together.

The North Central Kansas Special Education Cooperative Interlocal #636 will continue to provide special

education programs and services to all exceptional children. The NCKSEC consists of twelve Unified School Districts as follows: #110-Thunder Ridge, #211-Norton, #212-Northern Valley, #213-Lenora, #237-Smith Center, #269-Palco, #270-Plainville, #271-Stockton, #325-Phillipsburg, #326-Logan, #392-Osborne, and #399-Natoma.

The purpose of the NCKSEC is to identify all students in the twelve participating districts who are eligible for and need special education services. Special programs and services are then provided to assist these students in reaching their potential. All these services must meet the requirements and specifications stated in federal and state statutes and further clarified in the Kansas Special Education Process Handbook. Additionally, the NCKSEC must make assurances in the provision of these services. These assurances include confidentiality of student records, provision of students' and parents' due process rights, nondiscriminatory and multi-disciplinary evaluations, and provision of services in the least restrictive environment or most normal setting to the maximum extent appropriate.

If anyone believes that a child may qualify for and need any of these services, please contact any building administrator in any of the twelve districts or Chris Hipp, Director for the North Central Kansas Special Education Cooperative Interlocal #636, 693 2nd Avenue West, Glade, KS 67639 (785-543-2149).

"Medicine for America"  
"Recognize You Have Sinned"

Biblically examining the rule of kings who oversaw the nations of Judah and Israel reveals the truth, God blesses obedience and He chastens for disobedience. Instead of hanging onto this world's view, Christians can come to understand the Lord's view of the reign of kings by reading the two Books of Chronicles. 2 Chronicles 17-20 reveals God's view on the reign of Jehoshaphat. Understanding how God worked in the life of Jehoshaphat helps us understand how the Lord wants to work in America.

Jehoshaphat's leadership had brought great blessings to Judah and like most in leadership, his leadership had moments that brought severe consequences to the spiritual, social and political life of Judah. Jehoshaphat allied himself with the wicked king Ahab whose policies brought the people of God to mix true worship with false worship. Jehoshaphat's alliances in war and business nearly cost him his life and he put the nation of Judah at great risk.

Our national leaders, especially our founding fathers made Biblical choices that enabled America to enjoy the Lord's blessings. However, many leaders today have allied themselves with organizations, opinions and are on friendly terms with those whom the Bible says, do evil in the eyes of the Lord. Our Biblically-Anemic preaching churches have failed to produce enough men and women who are statesmen who can overrule decisions made by politicians who are more concerned with party rule than with what is right before the eyes of God. Our nation and many of her churches find themselves afflicted with several of the curses written about in Deuteronomy 28:15-51. The wrath of God that is clearly spelled out in Romans 1: 18-32 is powerfully being experienced all through America.
