Greetings from the Jennings Library with an important message for all of the library patrons. Starting immediately we will no longer be open on Monday 3-6 p.m. We will be open: Wednesday 9-11 a.m., Friday 3-6 p.m., and Saturday 9-11 a.m. The Monday hours were in conflict with the Librarian's bridge day. We hope this is not an inconvenience for anyone.

The library is gearing up for automation. There are still books to give away. We just included some juvenile books in the pile to give away. The librarian will

order new books for your reading pleasure. It would be helpful for your input on what you would like to read. She would be grateful for a list of your favorite authors. This is your library, and it is for your enjoyment.

Carla will be having a computer class. She has not decided on a date. You are welcome to come in during library time and she will help you on the computer. We thank everyone for the donations. For patrons who would like to communicate with the library the e-mail address is jenlib@ruraltel.net. Carla will answer you as soon as possible. Remember any time is the right time for reading.
