## Holidays made easy with Prairie Land Food

Hey! Hey! Hey! Less money—More options! Sounds like your favorite used car dealer, but it's your favorite Prairie Land Food. The price of the Prairie Pak has been lowered. Specials and/or Meat Only and/or Fruit & Veggie Paks can be ordered with or without ordering the regular Prairie Pak or you can order it all.

How exciting! Vegetarians can order just the veggies. Those who thought the regular Prairie Pak was too much food can order the Meat Only or some of the Specials which makes all kinds of possibilities. The volunteer service to the community of two hours for each Prairie Pak and one hour for each special remains the same so it continues to make this a great investment for participants and for our community.

Begin planning for the Holidays with these great specials for November and December. If you belong to an organization and are interested in purchasing packages for the Holidays, please feel free to contact us.

The Prairie Land Food program is not a government program. It is

available to everyone regardless of income.

PLF is a 501(c)(3) organization with a goal of providing nutritious food at a low cost to help stretch food dollars. It is funded through participation, the more people who participate, the greater the purchasing power.
