Prairie Land Food offers food paks

Merry Christmas from Prairie Land Food! Gathering with our families warms the heart of Christmas and whenever families gather, there is food. The goal of Prairie Land Food is to make your Christmas Season merrier and less stressful by making available great food for your family at an affordable price. Every month the Prairie Pak includes five or six meat/protein items, four or five fresh veggies and four or five fresh fruits, all for a discounted price and two hours of volunteer service to the community, and what easier time to find volunteer opportunities than now. There are also three Specials available each month that will help you stretch your food dollar and they are perfect for Christmas Gifts this month.

The Prairie Land Food program

is not a government program; it is available to everyone regardless of income. Prairie Land Food is a 501(c)(3) organization with a goal of providing quality, nutritious food at a low cost to help stretch food dollars.
