

I would like it to be very special. I would like camo clothes, so I can go hunting with my daddy. Also, I would like a new pair of size 4 shoes, because I want to walk really bad.

I can't wait for you to get here!

Jaxon

Dear Santa,  
I want a pony for Christmas so I can ride it whenever I want. I also want all different colors of fingernail polish. I like to have lots of books so we can read lots of stories, and some hair bands just for me because my sister always wears

all of them.

Thank you for all my nice presents last year.

Madeline

Dear Santa,  
I really like my choo-choo train you gave me last year. Thank you!

I still need some more boy toys because my sisters always try to make me play with dolls and other girl stuff. I really like horses and dinosaurs and tractors. Oh, and bouncy balls

Jacob

Dear Santa,  
Thank you Santa for my ballerina jewelry box, I really like it.

This year I want a real horse with a striped blanket and a saddle. I would also like a pretty bookbag for when I go to school next year, I really like Dora. I just want you to pick because you always know just what I like.

Do you have any girl reindeer? I want to ride in your sleigh again.

Oh, I want snowman pants.

Olivia

Dear Santa,  
How are you doing? Could you

please give me a DSI and a power wheel. Please bring my brother Seth his own DS and for my mom a necklace that says "I love mommy". Oh, and for Ed a new car, a green Mustang. Don't forget my Aunt V, she needs a pretty room. Can you please, bring me a TV for my room? I also want a Leap Frog.

I love you and see you on Christmas Day.

Jonny

Dear Santa,  
I've been a good boy this year. I would really like a big monster truck that I can ride in for Christmas.

Connor

Dear Santa,  
I love you, Santa Claus. I like your beard because it so soft and curly.

I want a kite and some toys. I also want to go back to the beach. I want pink hair and a bike for my daddy.

Thank you Santa.

Hailey

Dear Santa,  
I want a race car with a remote control. I will take a hat, a John
