

# Free trees with membership

The ideal way to celebrate National Arbor Day is to plant trees, and the Arbor Day Foundation wants people all across America to participate.

As a way to celebrate, everyone who joins the nonprofit Foundation during the month of April will receive 10 free shade trees.

National Arbor Day and Kansas' Arbor Day is celebrated on the last Friday in April, which is April 30 this year.

Everyone who joins the Arbor

Day Foundation in April will receive the following shade trees: red oak, sugar maple, weeping willow, baldcypress, thornless honeylocust, pin oak, river birch, tuliptree, silver maple and red maple.

The free trees are part of the nonprofit Foundation's Trees for America campaign.

"The best way everyone can commemorate Arbor Day is to plant trees in communities all across America," said John Rose-

now, chief executive and founder of the Arbor Day Foundation.

"These trees will provide shade and beauty year-round and magnificent color in the fall."

The trees will be shipped post-paid at the right time for planting in April or May with enclosed planting instructions.

The 6- to 12-inch trees are guaranteed to grow or they will be replaced free of charge.

"Planting a tree connects us directly to nature," Rosenow said.

"It's the perfect activity for parents, grandparents and children to enjoy because trees will last for generations."

To become a member of the Foundation and receive the free trees, send a \$10 contribution to Ten Free Shade Trees, Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, Neb. 68410, by April 30.

On the restart, Hudson took the lead and "The Hammer" held off the field the remaining laps for the win. McClurg, Davis, Tim Leiker and Jesse Taylor rounded out the top five.

Hometown driver Kelly Karnopp led from green to checked in the 15-lap IMCA Hobby Stock feature.
