

# Horseman's Day scheduled April 17

The High Plains Horseman's Day is scheduled for April 17, at the Logan County Fairgrounds in Oakley. This year our featured clinician is a husband and wife team from Cambridge, Neb., Steve and Jeanne Mueller.

Steve has been involved in horses from an early age. Early on he had an open mind on handling horses and studied the effectiveness of current methods. Always seeking better methods of horse handling, he quickly adapted to the natural horsemanship method. Steve has worked hard to earn many accomplishments in his lifetime including: qualifying for the Mid-States Rodeo Association Finals multiple times and winning an average award, he is the 2004 United States Calf Roping Association World Champion and the 2005 Reserve United States Calf Roping World Champion, and he also teaches eager students in the Colt Starting class at the Nebraska College of Technical Agriculture-Curtis, Nebraska.

Jeanne has been running barrels since early childhood. Although barrels and other speed events were her favorites growing up, she has shown and competed in

all spectrums of the western horse world. She has been training her own horses since she started competing and has won many champion awards as well as placing at many of the top barrel futurities in the nation, including: The Speedhorse, BFA Futurities, The Lazy E Futurity and the Nebraska Open Futurity.

Steve and Jeanne do not employ negativity in their training of horses or coaching of riders. The Muellers have a strong belief that "A Positive Attitude is what it takes to develop A Winning Attitude."

Join the Muellers at the High Plains Horsemen's Day as they show how to go through ground working basics with colts, how to effectively use your leg cues with the horse, and how to achieve a finished horse.

Mark your calendar for April 17. Registration begins at 8:30 am at the Logan County Fairground in Oakley. Come spend the day with us at the High Plains Horseman's Day and learn more about your horse. For more information or to pre-register for this event contact Thomas County Extension Office at 785-460-4582.

## School

(Continued from Page 1) the performance of Norton Schools on the state assessments. The presentation was part of the board's goals for this year. He said the junior high scores dip, but the high school and elementary school tests are at or above the state average.

• Board members Jeff Nielsen and Scott Ellis reported on the last task force meeting between Norton and Lenora. Nielsen said most of the decision making is now up to the Lenora Board of Education.

A motion was made to not retain the Lenora High School

gymnasium. Vote taken, motion passed.

• Board member April Karnopp said the staff appreciation event will be held at the movie theatre. Shrek 3 will be shown. She asked for volunteers to help serve snacks and popcorn.

• A motion was made to accept the resignations of Kristen Fahrenbruch as Norton Junior High School head volleyball coach and Don Mordecai as assistant Norton Junior High School boys basketball coach. Vote taken, motion passed.

• A motion was made to approve Nicole Satran as Norton Com-

munity High School assistant cross country coach and Amy Husted as Norton Community High School dance team sponsor for the 2010/11 school year. Vote taken, motion passed.

• A motion was made to approve the involvement in Parents as Teachers for a cost of \$9,417 for the 2010/11 school year. Vote taken motion passed.

## Hospital

(Continued from Page 1) Certified registered nurse anesthetists are master's prepared advanced-practice nurses who provide anesthetics to patients in every practice setting and for every type of surgery or procedure.

They are the primary anesthesia providers in two-thirds of all rural hospitals and the main provider of anesthesia to expectant mothers.

Norton County Hospital provides a variety of anesthesia techniques for all surgeries as well as obstetric analgesia and pain management in the form of

epidural steroid injections when ordered by a physician to Norton County Hospital patients.

Gary is excited about the many opportunities that rural life will offer him and is looking forward to providing services to Norton area residents.

"We're excited about the opportunity to have Gary join our staff," said Rich Miller, Norton County hospital administrator.

"His experience and education in the anesthetic and nursing areas will be of benefit to our patients."
