

# Fishing report

**Largemouth/spotted bass – Good**  
Fish are being caught in Leota Cove, along the rocks off the dam, back by the flood gates and in Schoen's Cove using plastics, rattle traps and crankbaits.

**Walleye/Saugeye – Fair**  
Fair numbers of fish are being caught by the Marsh Dike, up to the west end

and in Leota Cove using jigs tipped with night crawlers. On April 20 600,000 saugeye fry were stocked, and on May 19 66,855 saugeye fingerlings were stocked.

**Wiper – Good**

Reports of wipers being caught on the east side of Leota Cove, along the dam and in the sandpit. Casting

bucktails and jigs into the wind and using worms and cut bait on the bottom works well.

**Channel Catfish – Fair**

There have been a couple of reports of channels being caught off the public fishing dock and up to the west end using sunfish and worms on the fishing on the bottom.

**Crappie – Fair**

Reports last week of fish being caught off the marina slips, public fishing dock and over the fish attractors. Fish have also been caught trolling the crankbaits and hot 'n tots. Most fish were between five and seven inches.

Water temperature has been 80 degrees. The water level is .53 feet

lower than it was one year ago at this time. An estimated 90 cedar trees have been added around the public fishing dock, the mid dam fish attractor and the fish attractor south of the swim beach. The fish feeder is up and running, releasing food in three-hour intervals starting at 6:00 a.m.

## Park fees

April 1-September 30, 2009

**VEHICLE** — Annual-\$24.70; Second-14.70; Daily-4.20; Senior Discount/Annual-13.60; Senior Discount/Second-8.60; Senior Discount/Daily-2.85; Duplicate Vehicle-12.50; KOALS Fee-1.50; KOALS Fee-.50.
