### STOP THE CYCLE

STOP

**Did you know Kansas ranks higher than the national average for underage drinking in surveys of 8th, 10th and 12th graders?**

Youth under the age of 21 account for 25% of all admissions for alcohol abuse. It is estimated underage drinking cost Kansas citizens \$727 million in 2007. In FY09 treatment of alcohol abuse for underage persons cost Kansas over \$1.4 million. 29.2% of 10th graders and 42.4% of 12th graders report alcohol is easy to get.

**We need to stop the cycle.**

This isn't about money, it is about the lives of our youth and the next generation.

Report persons who are providing or allowing access to alcohol for underage persons. KSA 41-3610 makes it unlawful to host or allow minors access to alcohol with punishment of up to \$2,500 in fines and 1 year in jail. The social hosting law also makes you liable for minors accessing alcohol at your residence even without you being present.

**Get control. Be the adult. Just say NO.**
