

The way the planter crumbles!

A downtown planter appears to be the subject of discussion between the members of the Emergency Medical Services. The driver of the vehicle was not injured after striking the planter in an accident on July 30.

Crop deadlines near

The deadlines for the USDA, Farm Service Agency to accept applications for coverage under the Noninsured Crop Disaster Assistance Program for this year's crops have been established by the Kansas State Farm Service Agency Committee. The application closing date of September 1st, 2010 applies to the following crops: All small grain crops, except Oats, Barley and Continuous Crop Wheat planted with the intention of harvesting as grain, plus Aquaculture, Canola, Christmas Trees, Nursery Crops, Speltz, and Turf Grass Sod.

Crops eligible for Noninsured Crop Disaster Assistance Program benefits are limited to those not insurable in the county and are produced for food or fiber. Included as eligible crops are floricultural, ornamental nursery, Christmas trees, turf grass sod, industrial crops, seed crops, aquaculture (including ornamental fish), and forage crops for livestock (mechanically harvested or grazed).

Interested producers who may wish to participate in the Noninsured Crop Disaster Assistance Program must visit the Norton County Farm Service Agency office to complete an Application for Coverage (CCC-471) and pay the applicable service fee by the

applicable sales closing date for the specific crop. Administrative service fees are collected in order to help offset the cost of implementing the program and range from \$250 per crop per administrative county not to exceed \$750 per producer per administrative county with a \$1875 maximum fee for multi-county producers.

In the unfortunate event that a producer does suffer a loss on their particular crop, a Notice of Loss (CCC-576) must be filed with the local Farm Service Agency office within 15 calendar days after the disaster occurrence, or the date the loss becomes apparent to the producer.

Once the Notice of Loss has been approved and production evidence collected, the producer must file an Application for Payment. This is done at the Norton County Farm Service Agency office and must be filed prior to the immediately subsequent crop year acreage report date for the specific crop.

Producers are responsible for providing accurate and complete information. This includes timely certifying planted acreage and production with Farm Service Agency. In general, acreage reporting deadlines are June 1st for small grain crops, and the earlier

of August 1st or 15 days prior to the onset of harvest or grazing for all other crops. Production reporting deadlines are no later than the immediately subsequent crop year acreage reporting date for the crop. It is always important to check with the Norton County Farm Service Agency office to determine what the acreage and or production reporting deadlines are for each specific crop.

When required, producers shall provide to Farm Service Agency verifiable or reliable production evidence for the crop by practice, type and variety, and it must be provided in a manner that can be easily understood. Producers shall maintain their production evidence for 3 years after the crop year it is initially certified.

This coverage entitles eligible producers to a payment of 55 percent of an average market price for the commodity if a natural disaster caused a 50 percent production loss or greater of an eligible crop.

Producers are limited to \$100,000 in benefits per person per crop year, meet adjusted gross income provisions, and comply with conservation compliance provisions in order to be determined eligible.

Christmas in August at State Park

Prairie Dog State Park and the Norton Travel & Tourism Committee are sponsoring the 7th Annual Prairie Dog Christmas on Aug. 14. Campers at the state park are encouraged to decorate

their campsites in a Christmas theme. Campers need to register at the state park office by 1 pm on the 14th. Campsites will be judged between 9-10 pm, with prizes being awarded after the judging

Saturday night, at Campsite #8 (Camp Hosts' site) at 10:00pm. If you decide not to enter the contest, the park staff would still like to invite you to "Think Cool," join in the fun, and come out.

Crossroads Church celebrates 70th

Crossroads Church is planning a celebration of their 70th Anniversary on August 15th.

Following Sunday School at 9 a.m. a fellowship coffee will be held in the Fellowship Hall.

Our District Superintendent, Mike Schneider, will be the speaker for the morning worship service at 10:30 a.m., along with some special music and singing of the songs of yesteryear.

At noon or shortly after there will be a celebration dinner in the

Fellowship Hall. Then a service at 2 p.m. will include testimonies and a synopsis of the history of the church by the Pastor, Ron Scheimo, who is now in his fourth time pastoring the church and was here for several of the anniversary celebrations.

Anyone and everyone is invited to attend. People who once attended the church and now live in other parts of the country will be here to enjoy this celebration.
