 "Effective Broadcasting"

Plants Seeds that Produce a Crop

Effective broadcasting involves planting seed that will produce a crop. If a farmer wants to raise corn, he must plant corn seed. If he wants to raise wheat or some other type of crop, he must plant the type of seed which will produce the desired crop.

There is a seed to plant that will produce the harvest God desires and achieve the purpose for which it is sent. Hebrews 4:12 says, "For the word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart." The prophet Isaiah writes, "As the rain and the snow come down from heaven, and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater, so is My word that goes out from my mouth: It will not return to Me empty, but will accomplish what I desire and achieve the purpose for which I sent it." (Isaiah 55:10-11)

The great Biblical commentator, Matthew Henry writes, "According to the different errands on which the Word is sent it will have its different effects. If it be not a saviour of life unto life, it will be a saviour of death unto death; if it do not convince the conscience and soften the heart, it will sear the conscience and harden the heart; if it do not ripen for heaven it will ripen for hell. One way or the other, it will take effect." Albert Barnes writes regarding the preaching and teaching of God's Word. "God has a design in giving His Word to men. Whatever is His design in giving the Gospel, it will be accomplished. Just as God has designed each raindrop and every snowflake to fall on its certain place, whether rock, sand, or fertile ground, He has destined His Word to fall on different hearts. Though often rejected - it still keeps mankind without excuse." (Matthew 13; Mark 4)

The Body of Christ as a whole does not have a Biblical understanding of the full effect of the powerful life challenging and changing Word of God. We think that if we can make the Word of God appealing to its hearers, there will be a positive response. Only God and the hearer of God's Word determines its results. (1 Corinthians 3:6)

Plant the Seeds of God's Word!
