Rosary Rally

Join a Public Square Rosary on October 16, 2010. Currently, the United States is suffering from the sins of abortion, homosexuality, impure fashions and immoral laws. Moreover, secularism attempts to remove God from society. But without God, where will our leaders get the wisdom to solve the great problems we face? We must counter today's immoral and secularist trends with our public prayers. We must ask God, through the Rosary of His Most Holy Mother to save America.
