Lady Huskies compete in duel

The Lady Huskies traveled to Franklin, Neb. for a duel in which we played the game in a best 3 of 5 format.

We started out by playing well and won the first set 25-19. We passed well which led to the sets being on target which allowed our hitters to be able to pick apart their defense.

In the second set we, relaxed and Franklin chipped away and did enough to win 21-25.

In the last two sets we regrouped and with some very good serving forced the Franklin team into giving us free balls which we converted into points to finish the game 25-17, 25-19 for a victory.

We headed to Ellis for a Saturday tournament and took on host Ellis in the first contest and played well we just did not string together enough offense as we got into a mode of sending free balls to them which they sent back to us with some power. Result: a 17-25, 24-26 loss.

Our next game was against league foe Palco and once again

we played well at times showing that we can play well we just chose not to use our skills all the time. The result was a 17-25, 24-26 loss.

In our last game of the day we took on a tall and quick Stockton team and allow them to win the first game 15-25. We did come back in the second set with our team hustling after their tips as our hitting kept them off balance enough that they were forced into giving us free balls for most of the set. We won 25-13 to tie the contest.

In the third and final set we led until the score was 20 all, then we could not stop them as they started to force us into giving them free balls which they converted either by tips or attacks into points which led to the final score of 20-25 Stockton.

We wish to thank the fans who traveled to Ellis and hope that the times we did show that we can play with the best is what we are striving to bring to the court each and every time.
