FINDING THE RIGHT FINANCIAL ADVISOR IS **AS IMPORTANT AS FINDING** THE RIGHT BOND.

The service you'll get from my office makes these bonds look even better.

- 1. Government-sponsored **Enterprise Notes** 1.75% to 6.25%* Guarantee applies only to the
- payment of principal and interest. 2. Federal Income Tax-free Bonds

1.05% to 5.25%* Interest may be subject to state and local taxes and the alternative minimum tax (AMT). Insurance does not eliminate market risk.

3. Corporate Bonds 1.40% to 7.37%*

*Yield effective 10/20/2010, subject to availability and price change. Yield and market value may fluctuate if sold prior to maturity, and the amount you receive from the sale of these securities may be more than, less than or equal to the amount originally invested. Any bonds called prior to maturity may result in reinvestment risk for the bond owner. Contact your local Edward Jones Financial Advisor for more information about maturity dates and applicable call provisions. Bond investments are subject to interest rate risk such that when interest rates rise, the price of bonds can decrease and the investor can lose principal value.
