The 2010-2011 Leadership Norton group tackled the Education Field trip Nov. 10 as they fulfilled their class requirements. Leadership Norton class has already taken their government and agricultural day. The next session will be rural heath in December. "Participants take on their various sessions to learn of topic related issues of each different event," said Keith P. VanSkiike, Twin Creeks Extension District Agent. "The Leadership Norton class participants will tackle rural

4-H award is made by the Norton Area Chamber of Commerce. The award was presented by Joel Duscher, president of the Norton Area Chamber of Commerce. Ted has worked diligently as Shooting Sports Coordinator and Rifle Instructor for more than 10 years. In order to be able to have a certified program each county had to have a coordinator and certified instructor leading the program. Ted initiated the first program by taking the state wide certification as a County Shooting Sports Ad-

ministrating Coordinator early in 1992. He along with John Baker and Bruce Williams began the first program with archery and air rifle. Ted's experience as an official National Rifle Association instructor and being in the National Guard really helped to make it very easy for the program to become well established. Ted has worked with ten other instructors that have since become certified into the various programs. Ted has worked to help coordi-

nate several local fund raisers for the Shooting Sports program. The program has supported several local shooting contests as well. Ted has worked to send teams or chaperone several teams to various 4-H Shooting Sports contests in Kansas, Nebraska, the Regional and State shoots at Hays and Salina and several International Shooting contests.

Members of the 2010-2011 Leadership class are: Missi Schoen, Teresa Clydesdale, Nicole Rhea, Craig Eveleigh, Catrina Kunclrs, Verla Grysch, Jeana Yost, Julia Nelson, Jamie Wentz and Justina Smith. heath, economic development and a trip to Topeka." VanSkiike said. As a part of the education day, the group visited with Northern Valley Superintendent Dr. George Griffith, Norton Community Schools Superintendent Greg Mann, Chris Hipp, North Central Kansas Special Education Co-op, Norton School principals, Corey Roy, Jeff Wallingford and Norton Community High School Counselor, Shane Miller. The group met with Danna Kelly, director of the USD 211

Learning Center and Leslie Bell, of the North West Kansas Library Services. They toured the schools, learned of issues related to the school districts. The class visited with Jeremy Hawks' Curriculum Coordinator for USD 211. The group met with Norton school board members Robert Wyatt and Jennifer Boller. Jean Ann Wilson, Director of Nursing for Colby Outreach Program, was also a part of the program for the education day

events. Northwest Kansas Technical College Respiratory students Shawn Gastineau and Kim Horinek were awarded scholarships of \$500 each from the Kansas Respiratory Care Society. The scholarship is named the Russ Babb Education Scholarship in honor of Russ Babb, who passed away in 2002. He was known for his proactive role in the field of respiratory therapy in the 1990s. Mr. Babb was the Director of Respiratory Therapy at Salina Regional Medical Center. Leona Evans, BSRT-RRT-NPS, RN, AE-C, a member of the Technical College faculty, worked with Mr. Babb for twelve years in Salina. "Russ Babb was a respiratory therapist that took his profession seriously and believed in advancing respiratory therapy education and providing quality education opportunities to students in the profession. It is so exciting that two of our students received a scholarship in his honor," Ms. Evans said.

Tyler Montgomery

Accident Log

Key Award for 4-H member

Tyler Montgomery received the Norton County 4-H Key Award for 2010 at the annual 4-H Achievement night banquet. His award was announced by Mary Vanover and was presented by Keith VanSkiike.

He has completed 10 years in the Cedar Ridge 4-H Club.

Tyler has mentored members in his club with sales events, been a junior leader with several projects and has worked as a demonstrator and group leader at Day Camps. He has been active at many Ambassador Meetings, Cloverbud group activities and he enjoyed the tie-dye t-shirt and Rocket Blast- off the best. Tyler has served on the Porkburger Committee, been assistant Swine Superintendent at the fair and has been a teen helper at Club Days. Tyler enjoys exhibiting Crops, Hogs, and Food. Tyler was first place in the local Open Class Market Wheat Show at the fair this year and exhibited that entry at the State Fair and was listed on the County Sweepstakes at the State Fair.

Tyler has always allowed himself to be available when called on to help.

Tyler has enjoyed giving demonstrations such as grain bin safety, talks on tools and antique tractors. He has served several offices in his club and the county 4-H Council.

His club is very involved in their own community service which keeps Tyler busy as a Junior Leader.

Outside of 4-H, he spends time being a member of the Sunflower Pioneer Power Association, assisting at meetings, giving demonstrations, in charge of the Pedal Pull, working and helping the other members.

With Tyler's enthusiasm and support of his family, club and community, he is very well deserving of this award.

It is so exciting that two of our students received a scholarship in his honor," Ms. Evans said.

Shawn Gastineau and Kim Horinek are second year students in the College's respiratory therapy program and are looking forward to sharing their learned knowledge and skills of the profession.

The respiratory therapy program is an 18-month program and upon successful completion of the program degree requirements, graduates must take the National Board for Respiratory Care entry-level examination to earn the certified respiratory therapist credential. They are then eligible to attempt the board's advanced-level examination that will earn them the registered therapist credential. Respiratory therapy courses revolve around learning how to apply scientific principles to prevent, identify, and treat acute or chronic dysfunction of the cardiopulmonary system.

For more information on the program, go to www.nwktc.edu or call 1-800-316-4127.
